Subject: LCRS and Operations Layer Test Results
Attach: LCRS 10.pdf; LCRS-05.pdf; OPS-01 and OPS-02.pdf

Hi Fabrizio,

Per your request during our telephone conversation today, please find attached LCRS and Operations Layer soil testing results.

For the LCRS, there are 2 approved samples, LCRS-05 (material placed in E-5 at toe of slope, and presented in RFI no. 41), and LCRS-10 (material that is currently being placed in E-6 sump floor area).

For the Operations Layer, there are 2 approved samples, OPS-01 and OPS-02. This material was placed as operations layer in E-5.
